As our most important supporters, your participation is vital to assuring we can meet the needs of our evolving Jewish community.

### A FEW QUESTIONS COULD ONE DAY SAVE A LIFE!

In addition to the general community survey, you may be asked a few additional questions to help us better understand the wishes of our philanthropic supporters.

When one of our professional survey callers rings your phone, the **CALLER ID** will say **COMMUNITY STUDY (954-252-6970)**

#### **Please pick it up!**

If you receive a voice mail about the Demographic Study, please call back to 844-628-1524
